## TIMBER DEALERSHIP OFFICIALLY CHANGES NAME TO SQUIRES FOREST PRODUCTS, INC.

Elizabethtown—The timber dealership of Squires Timber Company, has formerly changed its name to Squires Forest Products, Inc.

Glenn Squires has acquired the timber dealership assets and liabilities of Squires Timber Company, including the four logging crews operating under Squires Timber Company: Kelly Fuel Chipper, Inc.; Timberland Logging Company; Precision Harvester L.L.C. and Piedmont Harvester L.L.C.

Squires Forest Products, Inc. will take responsibility for the liabilities before, during, and after the transition incurred in the normal course of the timber dealership operations. Squires Timber Company will continue to operate as a Land Management Company under separate ownership, and in a new location.

Established in 1976 as Squires Timber Company, Squires Forest Products, Inc. currently has six field offices and 47 employees serving the timber industry in forestry and wood procurement in NC, SC and VA. As a leader in timber procurement services, Squires Forest Products, Inc. is certified “Pro-Logger” by the North Carolina Forestry Association, and is trained to follow Best Management Practice for forestry (BMPs).

The corporate office is located at 143 NC 53 Hwy. in Elizabethtown, with field offices in Faison, Vass, Whiteville, Henderson, and Castle Hayne, North Carolina and in Conway, South Carolina.

The management, staff and foresters will continue to service their existing client base, as all will transition over to Squire Forest Products, Inc. More information about the company history, experience and practices, can be found on the web at [www.squirestimber.com](http://www.squirestimber.com). Individuals seeking more information about Squires Forest Products’ services can call Joe Luther at 910-862-3533.
